1- Transaction Terms:

- 1.1. The abovementioned prices are shares/properties base prices. It is obvious that the bidder who proposed the highest price in the bid proposal form will be the winner and the proposed price will be considered as the transaction price. With regard to the stock offering made in Tehran Stock Exchange/ FaraBourse Iran, hereinafter the Stock Markets, the maximum price registered in transaction system will be considered as transaction price. It should be noted that announcement for competition start date and the deadline for submitting request at Stock Markets is published at the internet portal of the Stock Markets.
- 1.2. Up to 5 per cent of shares/properties offered are considered to transfer to the companies employees. The percentage of shares/properties not purchased by employees (**Excluding Iran Alumina Co.**) will be transferred to the winner of the bid. Thus, applicants are duty bound to submit their proposals in bid application forms/ at stock market transaction system on total shares/properties offered (block plus employee shares).
- 1.3. Envelopes of participating in the bid notice will be opened at 14:00 O'clock on Tuesday on February 24, 2015 at the Organization, 6th floor, and presence of bidders or their legal representatives in the session is allowed with owning identification documents and representation letter. The Organization is reserved the right to accept or reject any or all of the bid proposals.
- 1.4. Cash deposit for participating in the bid notice should be settled only in cash basis into SIBA Acc. No. 2170159008002 with Bank Melli Iran (BMI), Jame' Mosque Branch of Shahrak-e Ghods (Coded 1458), payable at all the branches of Bank Melli Iran (BMI). (Any delay in depositing the amount into the above account by applicants or by banking system will lead to the rejection of proposal by the Organization.) The original bank deposit receipt and completed bid proposal form should be submitted latest by the end of business hour on Monday on February 23, 2015 to the following address in the form of two separate envelopes inside a sealed envelope and take a receipt: **Guard Management Office, 7th Floor, No. 15, Mahestan St., Iran Zamin Ave., Phase 1, Shahrak-e Ghods, Tehran – IRAN**. All respected applicants are highly recommended to win assurance of transferring deposit fund into the set account in due date due to the possibility of delay in transfer of fund as a result of banking system operations. In Other words, applicants should be assured of settling the amount into the current account number of the Organization, before commencing of the bid session. If applicant settled cash deposit to the mentioned account before commencing of the bid session, his envelope will be opened, otherwise his envelope won't be opened and it will be refund. The proposed prices out of the bid proposal form won't be accepted.
- 1.5. As far as stock offerings at the Stock Markets are concerned, only those stock brokers are authorized to enter purchase order to the transaction system if equal three percent (3%) of total base value of stocks in cash or in the form of unconditional bank guarantees is deposited/ submitted into the account of Central Securities Depository of Iran. It is reminded that the deposit amount will be announced in further announcements of the Stock Markets.

- 1.6. If the winner of bid failed to pay cash amount of the transaction and/or did not submit required documents within the set deadline as of notification of announcement by the organization or by the Stock Markets, the winner shall have not authorized to lodge any complaint with regard to the deposit amount (Cash/Bank Guarantees). In these cases, the deposit amount will be confiscated in favor of the organization in due date.
- 1.7. Stock ownership transfer will be conducted within the framework of mutual agreement. In the same direction, sample of contract, power of attorney registered at Notary Public Office, “Instruction of Monitoring after Transferring Stock” is available at the Organization and also the Stock Markets internet portals. Since all these information will be provided to all applicants, in view of the Organization, participating in bid notice and/or presence to compete in Stock Markets is meant that applicants have accepted all rules and regulations envisioned in proceedings fully. In other words, participating meant that applicants have accepted by details wholeheartedly, in which, purchasers are duty bounded to observe its provisions.
- 1.8. In transactions conducted based on installments, time interval of installments from one another is set for a period of six months and the interest rate of installments is set 15%. In installments-based transactions, completely cash purchase is not prohibited. Collecting installments of ***Iran Alumina Company and Esfarayen Industrial Complex (EICO)*** for the private sector (including persons subject to guideline of paragraph 2 of rules and regulations of encouraging the private sector in order to participate at privatization, approved by the Board dated 15 February 2014, is accessible on the website of the Organization at the following address: www.ipso.ir. (Please observe the “Current Laws and Regulations” By-law for the Manner of Divesting the Preferential Shares) as mentioned at paragraph (1-2 & 2-3) of the advertisement.
- 1.9. In installment-based transaction, equivalent of remaining amount of installments, and the transacted stocks will be kept by the Organization until full payment of the installments are made. It should be noted that guarantee documents will be received on minimum 50% of the remaining total installments.
- 1.10. In controlled block shares transfers, purchasers are substituted for obligations and guarantees issued by Parents Companies and other state persons included in audited financial statements in proportion to purchased shares, individually or together. On deadline if substitution hasn’t been done, the purchasers must pay the exacted financial expenses to the issuers of the obligations and guarantees. By the way, releasing of the kept shares (as collateral) and refunding guarantee documents by the Organization is made after settling all debts of Parents Companies and other state-run entities such as Treasury envisioned in audited financial statements which were based for Report of Evaluation of Shares.
- 1.11. In managerial transfers, purchasers are substituted for obligations and guarantees issued by Parents Companies and other state persons included in audited financial statements in proportion to purchased shares, individually or together. On deadline if substitution hasn’t been done, the purchasers must pay the exacted financial expenses to the issuers of the obligations and guarantees.

- 1.12. Any kind of deficit in reserve of assets and liabilities such as deficit of actualized or non-actualized tax reserves, social security insurance, severance pay, end- service reserve, interest rate and belonging fines with regard to receiving banking and financial facilities, etc., envisioned in report of auditor and legal inspector of the company and financial statements shall be borne by purchaser. Under such circumstances, purchaser shall have not any right to lodge his or her complaint with regard to add or subtract the set amounts. In the same direction, the Organization is not held responsible for the aforementioned amounts. Meanwhile, the said provisions and cases will not subject to the Paragraph (H) of Article (9) of “Executive Instruction of How to Drawing up Stock Transfer Contracts”, subject No. 223913 dated 18.1.1388 (April 7, 2009). In case of observance of any ambiguity in financial accounts, purchaser can request relevant documents.
- 1.13. Getting further and enough information on financial, economic, technical and legal situation of transferrable companies shall be borne by interested applicants. Any kind of claim against the organization after transaction date will not be accepted. In other words, interested applicants should gather enough and sufficient information on financial, economic and legal status of the corporation before taking any decisions. Under such circumstances, purchaser(s) cannot lodge their complaints against the Organization in this respect.
- 1.14. By virtue of Article “436” of Civil Law, purchaser(s) can not refer to the organization personally in order to defend their right with regard to stock purchase operations. In the same direction, purchaser submits his or her proposed price for purchasing shares based on their powers in a competitive process. It is meant that he or she has fully accepted all rules and regulations of stock transfer as reflected by the organization. In other words, purchaser(s) can not lodge their complaints on loss option, and details of which will be inserted in relevant contract.
- 1.15. Applicants announce vividly that they are not prohibited on doing any shares transaction and promise that they have not deferred loan liabilities to banking system of the country. In general, purchasers announce that they are not subject to the Article 24 of “the Law on Correction of Provisions on Fourth Five- Year Socioeconomic and Cultural Development Plan of the Islamic Republic of Iran” as well as “the Law of Enforcing of General Policies of Article 44 of the Constitution” approved on 31.4.1387 (July 22, 2008).
- 1.16. According to the Note 4 of Article 20 of “Law on Enforcing of General Policies of Article 44 of the Constitution”, cooperative sector will enjoy purchase priority in equal conditions in offering shares/properties via bid notice.
- 1.17. Previous purchasers of installment-based block shares from the Organization are not authorized to participate in bid notice and can not purchase shares if their installments have deferred. If these purchasers embarked on settling their previous debts, they can participate in bid notice according to the contracts concluded in this respect.

2- For the Attention of Applicants of Purchasing the Following Enterprises:

2.1. Iran Alumina Company: The Employees shares will be allocated from the run-state at the company. In case of purchasing the company by private sector, subject to guideline of paragraph 2 of rules and regulations of encouraging the private sector, dated 15 February 2014, conditions of collecting installments are as follows: 1- Collecting installments shall be done duration 7 years. 2- The repayment of installments would be with the the gradient of 10% annual growth and with 100 sources for midterm figure of installments.

2.2. Offshore Industries Company: According to paragraph A of article 12 of the Constitution of the company, shareholders of group A at General Assembly for each share have five votes and shareholders of group B for each share have 1 vote. The transferrable shares belonging to IDRO are shares of group B.

2.3. Esfarayen Industrial Complex: The repayment of installments would be with the the gradient of 10% annual growth and with 100 sources for midterm figure of installments.

2.4. Real States belong to Iran East Iron Ore Company: The exploitation right of the land (the registered plate No. 1509- which is Astan Quds Razavi Endowment) with the area of 434/55 square meters and office building with the area of 715 square meters with administrative usage, are located at No.377- between Koohsangi 19 & 21- Koohsangi St., Mashhad City.

3. *Employees Shares (If Allocated):*

By virtue of Bylaw of Note 3 of Article 20 of “The Law of Enforcing of General Policies of Article 44 of the Constitution”, transferring maximum five percent (5%) of shares of enterprises to the managers, staff and personnel and the retired of the same enterprise, will be based on the following terms and conditions:

A: Managers and employed staff and assignee personnel (whether official or contractual member) in enterprise subject to stock transfer and also those who assignee to other enterprises that have minimum one-year experience are eligible for the shares. Stocks will not belong to the managers and staff whom paying insurance premium or subtraction of their retirement are made from origin of mission. Also, employees in those companies that more than 50 percents of their capital belongs to the transferable company are eligible for the shares.

Note 1: Priority of transferring shares will be given to the managers and employed staff and assignee personnel. If there are surplus shares of enterprise after transferring shares to the mentioned individuals, the remained shares will allocate to the retired individuals of the same enterprise. Simultaneous use of advantages of voucher privatization plan (Saham Edallat) and Employee Shares is not allowed for the retired.

B: The Rials value of shares transferable to each qualified individual is maximum up to 10fold of average last six-month salary and fringe benefits of applicants (based on legal injunctions) with the base price of shares and 10-years installments. At the first stage, receiving installments is done by the companies’ dividends. If payment of installments is not sufficient out of annual dividend, the

transferred company should subtract equivalent liability of staff during contract from their salary and fringe benefits. The amount should be paid to the Organization. In case of dismissal of service term for any reason, each individual (owner of stock) should pay their installments.

C) Employees shares are transferred only in the form of written request. The qualified and eligible persons should submit their request along with detailed specifications of applicants, as approved by the enterprise, Voucher privatization Plan Secretariat and Social security Organization (SSO), to the Organization maximum within 30 days as of publishing date of first advertisement.

In case of lack of demand for purchasing the stocks, the remaining shares will be added to the block transferable stocks and will be transferred to the winner of the bid with observing mentioned rules and regulation.

Note 2: The responsibility of approval of names and amount envisioned in legal injunctions of personnel and staff shall be borne by the Managing Director and Members of the Board of Directors of the enterprise.

4. Financial and Nonfinancial Incentives and Controlled Block Shares Discounts:

4.1. Controlled block shares purchasers (Minimum shares to determine the majority members of the Board of Directors) who embark on increasing the number of staff and personnel of the company more than what has been registered in stock transfer document during installments period and/or if these purchasers embark on training and employing surplus manpower of other transferred companies in their companies, they will be given incentives.

4.2. Controlled block shares purchasers if qualified and/or if fulfill measures such as new investment, promotion of efficiency and productivity, continuity in production and promotion of its level, development of technology and stabilization or increase of employment level in transferred enterprise, will be given discounts. Also, the purchasers who had already blocks of shares and turned into control shareholder of the company due to the purchase of new block of shares from the Organization, subject to selection of majority of members of the Board of Directors as of shares' purchasing date from the Organization up to time of enjoying discounts, are authorized to use discounts of subject of this instruction as well.
